**Integrated Pest Management Update Set for May 23**

Quincy, Fla. – The Gadsden County Extension Service and the University of Florida/Institute of Food and Agricultural Sciences (UF/IFAS) will offer a videoconference class titled “2008 Integrated Pest Management Update” on Friday, May 23 at the UF/IFAS North Florida Research and Education Center-Quincy, 155 Research Road.

The annual format has been expanded to cover the Commercial Ornamental Nursery Growers, 8 a.m. to noon and a Commercial Landscape Professionals, 1 p.m. to 5 p.m. Topics for the nursery section include nursery product update, palm diseases, nursery weeds, invasive insects and nursery fire ant management and quarantine treatments. The landscape topics include landscape product updates, palm diseases, invasive insects, and citrus greening management.

For renewal of pesticide licenses, CEUs have been applied for in the following categories:

Ag Row Crop            Ag Tree Crop            Demonstration            Forrest  
Natural areas            Ornamental and Turf    Private Applicator        Regulatory Inspection  
Soil and Greenhouse Fumigation  
Commercial Lawn and Ornamental  
Limited Certification Commercial Landscape Maintenance

In addition, CEUs for the following organizations will be applied for:

FNGLA Landscape Inspectors Association of Florida  
Florida Pest Management Association Certified Pest control Operators of Florida  
International Society of Arboriculture  
Certified Crop Advisor

Registration is required. The cost to attend is \$20 per session. For more information, please call 850-875-7255.
